I (we) want to help the Sycamore Valley Conservation and Education Foundation build the Freedom Ranges in Southern Indiana. I (we) understand that any Foundation memberships and contributions may be tax deductible, depending on my (our) personal situation, and given the Foundation's IRC 501(c) (3) status. All donations will be used to retire real estate debt, fund capital improvements and additions and provide training to current and future participants in the shooting sport. N.R.A. membership and Foundation membership are both required prior to joining the Gun Club.
